

IRISH WHISKEY “halfin”

Irish Whiskey, it's in our blood! Our forbearers “R & D McAlister” where bottling Jameson, Old Comber & Dunvilles not so long ago, in Belfast's “Half-Bap” or Cathedral Quarter as it's known today! We've a carefully chosen selection of whiskies that we think our ancestors would be proud of and we hope you are too!

POITIN 'puh-cheen'

Poitin / "The Water of Life" is the father of Irish Whiskey & ancient ancestor of all distilled drinks. Outlawed in 1661, but we know a man in the Glens who says otherwise. Best Served "Over Ice" or with "Tonic & Slice of Orange."

IRISH COFFEE "Ours are the best in town!"

Brilliant as an aperitif or just as a beautifully balanced drink. Powers Whiskey provides a depth of flavour that adds a spice and caramel to the hot coffee which produces a fantastic drink that can be enjoyed year round!

POWERS WHISKEY, HOT COFFEE, MUSCOVADO SUAGR, WHIPPED CREAM **5.95**

"HOT TODDY" "Hot Whiskey"

Traditionally drunk before retiring for the night, or in wet or cold weather. Some believe the drink relieves the symptoms of the cold & flu. We don't need to say it more than once, "Whisky is good for you!"

FAMOUS GROUSE WHISKY, LEMON & CLOVE, MUSCOVADO SUGAR, CINNAMON **4.85**

SCOTCH WHISKY “wee dram”

Before settling in The Glens of Antrim, us McAlister’s roved the Western Isles of Scotland & knew a thing or two about a “wee dram” of Scotch. We brought that love of Whisky with us & have carefully chosen a few of our favourites from the Highlands to the Islands for you to try!
