### OUR FARM

We've been in the beef & lamb business for 5 generations dating back to the 1800s & have been rearing grass fed stock & serving the people of Belfast & province ever since. Our family is still farming on the shores of Lough Neagh & the Glens of Antrim. We support our local farming community where possible, sourcing from great producers throughout the province & we've even been known to regularly purchase a few of their prize winning animals at the annual NI Beef & Lamb Championships!

### THE KITCHEN GARDEN

We've been growing our own Salads, Herbs, Fruit & Vegetables when in season for over 30 years. We crop daily & use fresh in our Kitchen & Cafe. We recycle the vegetable waste & coffee grinds from our kitchens & cafe to produce our compost ensuring a completely organic garden since 1995!

### MASTER BUTCHER

For over 30 years our Master Butcher Danny has been ensuring only the finest meat reaches your plates. He hand picks our beef & is involved in the whole process from farm to fork. He ensures the steaks are perfect & burgers seasoned to perfection!
